#### KOLBITES TALK BITTERLY

Trouble Apprehended and Possibility of a Conflict Admitted.

#### NO OVERT ACT ON KOLB'S PART six weeks ago.

It is Peared, However, that Some Crank May Try to Assassinate Him or Ontes-There Are Some, Too, Who Think that Any Resistance Will Be Justified at This Time.

MONYGOMBER, Ma., Nov. 30.-Rolb has arrived in the city and will be sworn in tomorrow. There is grave apprehension of trouble. The advance guard of Kolaites argived last night, and they are talking very

The Kolhite members of the legislature now admit a possible conflict, and last shight held a caucis at which they passed strong resolutions disclaiming any responsibility for any luwicesures that may occur. There is fear that some crank isboring under the excitement may attempt to meassinate Outes or Jones, and extra precautions will be taken to

A prominent leader of the Populists, Mr. Frank Baltrell, editor of the Alliance Herald, and who is is a position to speak for Kolb,

and who is is a position to spent for Kolb, said to-day that he did not expect any evert note or revolutionary course by the Teople's party followers, for the reason that the party has spoken against it, and everything is unlacoralis for such a movement.

The resolution adopted by the cancus of the Populist sensions and representatives fully endorses the action of their state convention held in this city on November 1.th, and decares to be absolutely false all reports published by an unfriendly press to the effect that any lawlessness or any violence in any form is contemplated on the generow, and that they are circulated for the purpose of bringing the party into distenuits among particits citizens.

Then the request of Mr. Manuing the resolutions were read in the boars to delay, and upon his mother were ordered spread upon on his motion were ordered spread upon

upon his motion were ordered spread upon the records.

Barrimur, Nov. 36.—A special to the Sun from Monigomery to might save. It is now believed that the purpose of Capt. Kolo in having himself sworn is to put himself on record and to be in a nesition to sign the credentials of Col. Warren Reese, of Mantgomery, who was nominmed by the Populists as United States breater, and who will contest the sear of Senster Mongain, the regularly sleeted Sengtor, unon the ground that the majority of the representatives who yould for majority of the representatives who voted for him were elected by fraud, and hence were

Sim were element by irrad, and hence were not emitted to seats.

There is no development to-night that would seem to indicate any trouble to-mor-row. We very large number of Capain Holb's supporters have arrived. There noe that those here are armed and

is no evidence that those here are armed and the people are inclined to be reasoured that the inauguration to-morrow will develop nothing in the line of visionne. The Sants troops will all arrive on the night trains and will take part in the Inauguration of Co. Oates. Capt Rolb's taking of the oath promises to be without violent incident. Excitations in the contraction of the armed that the state of the s

#### WATSON WAS ALSO A ROPER. "Sam the Christian" in the Daytime, "Benny the Burglar" at Night.

Sam Watson, allas Benny Roper, was held for the grand jury in \$1,000 bonds by Judge

Miller yesterday for working a sort of Dr. Jekvil and Mr. Hyde thicking game in this city. On Sundays and during the daytime Sam figured as a Christian worker, and was known as "Brother Watson, After candlelight this versatile gentleman sailled forth to seek for plunder under the cognomen of "Benny the Burgist."

cognomen of "Benny the Burgiar."

The particular case which made this double asmed individual a prisoner in the police court dock yesterday started from the alleged larceny of a coat from his step-lather, who lives on Sixth effect, between 6 and 8 streets northwest. The coat was sold by the defendant to William Epperson, a wither a No. 70 Sixth arrest continued.

tailor, at No. 703 Sixth street northwest. Several nights later Epperson's shop was entered by a bounebreaker and \$150 worth of goods stolen, that being the second time the place had been burghrized within a week. The thefis were traced, so the police say, to Benny Roper, who is also Sam Watson, and yesterday he was held as above stated. RED.

#### EAST LIKES THE MEEK.

But Overmuch Fondness and His Wash ington Wife Got the Judge Into Trouble in Texas.

FORT WORTH, Tex., Nov. 88.-Judge A. B. East, of Washington, Miss Belle Mock, and Mrs. Meek are in a decidedly unpleasant prelicament here. They came to this city about com. Mrs. Meek pleading illness as her excuse for wishing to have the Judge near by, Mrs. Meek has already been tried on Mrs. Meek has already been tried on a charge of improper relations with the judge, but the jury disagreed. Meanwhile a letter has come here from a lady in Washington chaiming to be Mrs. East, but who, so the judge and his female companions allege, is Amanda E. Kirke, who has been making life miserable for him for some years. A grand jury investigation has taken piace and indictments found against Judge East and Miss Belle.

has long been a familiar one about the hotel lobbies and other public places in Washing-ton where politicians are wont to congregate. He figured as a deflersonian Democrat and altorney and for a time had his faw shingle exposed at No. 615 F street, but did little business as a barrieter. Those who know nim best say there is no question about his narriage to Mrs. Amanda E. Kirke nine years ago in Kansas. This lady, who is known by her married name of East, is in business at No. 52 Eleventh street cortiwest with her daughter. Miss Lenn B. Ryan. They with her daughter, hiss Lenn B. Nyan, They have emple documentary proof of the marriage and can procure more if necessary. East was fined \$10 inst December by Judge Miller for assaulting Miss Byan, his stephanghter. During his trial, it is said, he admitted having been jailed in both litchmond, Va., and California. His record in this city is not of the leaf.

## WHY JAPAN BRISTLED UP.

The Inside History of an International Episode in Which Col. Fred Grant

Figured-Americans Released. VICTORIA, B. C., Nov. 30,-The steamship Victoria, thirteen days from Yokohama, arrived to-day. The Associated Press corre-

spondent writing November 17, says: No trouble is expected to result from the affuir of the steamer Sydney. The United States government is understood to re-gard the action of Jupan as justili-able on the grounds of self-distance, and Great Britain coincides, aithough some form of explanation or apology may be deemed desira-

the situation, but is not disposed to make surious difficulties. Her opinion appears to be that the exigency was not sufficiently alarm-

declared exposive experts were irresponsible speculators, if not imposters, lieparts were received connecting Col. Free Grant with the undertaking and his name carried with it a weight which would not have been accorded to unknown adventure. not have been accorded to intalown and venturers. #### SEELY IS NOT IN CANADA

Lawyer Angel Could Produce Him in a Very Short Time.

#### They occupied the same REWARD FOR HIS ARREST

All the Same, Pullman Conductor Baker Is Certain the Defaulter Was on His Train Friday Night and Left It at Buffalo-The Porter Also Remembered the Face.

JERSEY CITY, N. J., Nov. 30 .- Charles J. The portly figure of Judge Abyrom B. East that Seeley, the fagilive bookkeeper of the Shoe and Leather Bank, is not in Canada, as has been reported. On Wednesday Peschell went to New York and had a consultation with United States Commissioner Shields and District Attorney McFarlane on the subject of ball if Seeley would surrender. The lawyer said that Lawyer Angel was aware where Seeley was and could produce him within a short time. Peschell furthermore stated that Sectey could secure \$20,000, and if he was sure this would be accepted he would surrender himself.

The directors of the Shoe and Leather Bank met at noon to-day and passed resolutions offering a reward of \$5,000 for the arrest and

This is substantially all that was done at "This is substantially all that was done at the meetings," said President Crane, "and is ample refutation, we think, of the story that we know where Seely is to be found and are now making terms with him."

MILDOLF. (ws. N. Y., Nov. 30.—Samuel C. Seely, the emberging bookkeeper of the National Shoe and Leather Bank, of New York, was a passenger on Erie train No. 3 Friday night. Henry Baker, the Pullman conductor, is positive that Seely was a passenger. He remembers the man distinctly from his nervous action and emaciated appearance.

ous action and emaciated appearance Shortly before the departure of the train from Jersey City, Conductor Baker was approached by a thin, nervous man, who wanted to know if he could obtain a berth on his train that night. Mr. Baker told him that the diagram of the sleepers had not yet been given him, but he thought there would be a berth as travel was not very heavy. The man boarded the train and outered the smoking room where he smoked incessantly until long after Middletown was passed.

after student-own was passed.

It is sustomary for most persons on this train who have berths to retire soon after reaching Middletown, but this man sat up jong afters the others had gone to bed, and that fact brought him more particularly to the attention of the conductor and the porter. He was assigned to lower berth, No. 11. He left the train at Buffalo and went from there a Niceau Ealls and no doubt over the Siagara Falls, and no doubt over into

When Mr. Baker re-urned to Jersey City Wednesday night he was met at the depot by a New York detective and shown a photouph and asked If he ever saw the original, The Baker thought a few minutes and said:
Why, yes; that man was a passenger with
se on my last trip West." The detective then

# SPRECKELS SAYS PROTECTION.

It is the Only Thing That Will Help Sugar Refiners. San Fuancisco, Nov. 30 .- In reference to

the Associated Press interview with H. O. Havemeyer, president of the Sugar Redning Company, Claus Spreckles said: "I have read the Havemover interview and I understand the situation in the Eastern

States. Havemeyer and his people control the sugar trade of all the country east of the Missouri River, and the California reflacry controls protty much all west of the river. I think Havemeyer is right when be says that closing his refineries will throw 50,000 people out of work. The reason they are to close is this. "They cannot compete with foreign sugars.

"They cannot compete win torsign sugars. The administration has effectually shut out the sugar refining business in this country. German granulated sugar is haid down at New York at \$2,50 the hundred pounds and raw or crude sugar costs haid down there \$3,50 the hundred pounds. That leaves a margin of six one-hundredths of a cent a round on which to ray refining expenses and marin of an end and end of a cent a pound on which to pay refining expenses and make profile.

"The thing is simply aboutd. In the East they pay refinery hands \$1.50 per day. In Germany the wages are but \$1.13. The trade cannot stand the difference. The German

"The statement of H. O. Havemeyer, president of the American Sugar Hefining Company (the sugar trast), that the refineries of the company must be smut down for awhile owing to depression in the trade dus to legislation was widely discussed to-day in business and labor circles. The modified amounce ment made by Mr. Havemeyer this marning football game at Manhattan to-morrow. Mr. football game at Manhattan to-morrow. Mr. football game at Manhattan to-morrow. At the refineries in Brooklyn hundreds of milies were gathered this morning. From the their statements if appears that about 2,000 of the 4,000 mea usually kept busy there were did to-day. They did not know how long this would last. When they were discharged on Wednesday night they understood that they would report again on Sinday night according to custom, in the Thanksgiving week. They were told they would surely be put on again on Sunday night. Others said that so far as the eastern district refineries were concerned, they were not overstocked with sugar, as there were less than 40,000 barrels on hand, not more than enough for four days' supply of the market.

"At the offices of the reflueries information may refused by the supervisors and

in charge declined to be interclewed. Clerks maintained that everything was going on as usual, despite the crowds of idic men in the streets. The Modenhauer refinery at the lost of South Eleventh street, which is not in the trust, was running at its full capacity to-day. Extra hands were put on this morning.

"In Wall street the disposition was general to connect the action of the sugar trust managers with the coming session of Congress. in charge declined to be interclowed. Clarks

velopments of the past two months have in progress. It has, however generally company's common stork, which is payable in January and will be declared in the mid-dle of next month, will be reduced from the quarterly 3 per cent."

BABY SLEPT THROUGH IT ALL. Train Detailed and All the Cars Burned to

## ASSAULTING AN EDITOR.

He Had Criticised City Officials, One of Whom Attacked Him with Cane and Pistol.

JACHSONVILLE, Fla., Nov. 80 .- Thursday afternoon Judge W. B. Young, chairman of the police commission of Jacksonville, accompanied by Dr. George Troupe Maxwell, went to the private office of Mr. L. S. Metcalf, editor and proprietor of the Daily Florida Citizen, and demanded of him retraction of an article that had appeared in the issue of Wednesday, November 28, on the findings of the grand jury, which had severely arraigned the sheriff and city officials of Jacksonville.

Metcalf answered that the article was in his opinion correct, and a moderate comment on the presentment of the grand jury, and refused to retract any part of it. On Mor-call's refusing to retract, without any warn-ing, Judge Young struck him a violent blow over the head with a light cane of the kind known as sword cane.

known as sword came.

Metcall seized a came of his own, near at hand, and almed a blow at Judge Young. Dr. Maxwell then rushed between the two, and seized both cames. Judge Young thea drew a revolver, pointed it at Metcall's head, and said: "I'll kill you," Metcall replied: "If you think it a brave thing to shoot a man without a weanon about."

without a weapon, about."

Dr. Maxwell, who still held the cases, then seized the revolver, and the affair ended without further violence, but with a threat from found to kill Matcalf if any more articles displeasing to himself should appear in the Citizen. SECRETARY LAMONT'S REPORT.

He Farnestly Recommends Legislation to Establish the Battalion Formation. The annual report of Secretary Lamont shows that, beyond occasional calls for police that he was seriously furt. His knee was that, beyond occasions caus for ponce twisted and his neck and back strained. He duty near Indian reservations, the Army each year will be relieved to a greater degree of surveillance over the tribes of the west.

> Secretary Lamont earnestly recommends Secretary Lamont earnessty recommends legislation to establish the bettalion formation, now adopted by the armies of every other civilized nation. To effect that change he recommends a return to the law of 1870, fixing at 30,000 the limit of the Army.

## THEY OPPOSE HIS REMOVAL

Pather Barry's Parishioners Will Petition the Cardinal.

FEELING AT TENNALLYTOWN

Ordered Away to Build Up Another Purish-His Present Charge Has Flourished and Prospered - The Request for Retention May Not Be Granted-A Warm Discussion.

Father John Barry, who has for the past six years ministered to the spiritual welfare of the congregation at St. Aun's Church in Tennallytown, will sever his connection with that flourishing parish in two weeks, preaching his last sermon Sunday morning, December %. On the 16th of this month he will assume pastoral charge of St. Francis Mission, Brunswick, Md., and St. Mary's Mission at Petersville, Md. His successor will be Father Mallon, of St. Andrew's, Baltimore, Father Barry was ordered away by the cardinal, who thought be was the best available man to build up the two Maryland mis-

sions, which have heretofore been conducted

by brothers of the Jesuit College at Fred-In addition to the church at Tennallytown, Father Barry had to preach at St. Gabriel's Misssion, near Great Falls. There are about 500 communicants in both charges, and these members will hold a meeting in the church to-morrow afternoon to adopt resolutions to-morrow alternoon to entop rescutions and a petition saking the eardinal to retain Father Barry. It is doubtful, however, if their request will be heeded as the cardinal thinks his services are needed as the places to which he has been assigned.

The church at Fetersville is as exceedingly old structure, and the present worshipers are descendants of families who many generations ago worshiped at St. Mary's. But for some reason or attent the parish has

for some reason or other the parish has never reached the dignity of a well-arranged church. The town has increased in population, but the mission has not grown in proportion, and it is to increase the members hip and establish a flourishing parish in the ancient town that Father Barry has been assumed to authors to turner of processing the members hip and establish to flourishing parish in the ancient town that Father Barry has been assumed to authors it turner at Processing. signs to pastoral duties at Peterssille.

The St. Francis Mission at Brunswick is a mach younger institution, and since its establishment several years ago has been under the care of the Frederick College. Bruns-

the ears of the Frederick College. Brunswick is not so large and populous a town as
Patersville, and although Father Barry will
strengthen the mission there as much as possible, he will not be expected to organizes a
church at that point in the near future.

Father harry was seen at his residence pesterday, and in reply to a question concerning
the change said he greafly regretted leaving
his present charge.

"But the priests are obliged to obey the
orders of the cartinal," he said, "and have
to go wherever be thinks they are needed to
build up the interests of the church.

"I returned last night from a visit to my field of labor. I found the church building After suffering for hours from dreadful burns Mrs. Thomas Russell ded at Garfield Hospital.

After suffering for hours from dreadful burns Mrs. Thomas Russell ded at Garfield Hospital about 6:30 o'clock years day morning. She had been a patient at the hospital for two months, being treated for spinal and other troubles, and received the fatal burns on Thanksgiving night.

Mrs. Russell's mind has been slightly affected by her illness, and it was the custom to administer morphine to make her sleep. When the day surse left her she lighted a gas jet about six feet from the floor and turned it low. Then she locked the door of the prisoners of the Barry is an attractive speaker and exceedingly popular, with the people of Tea-MRS. RUSSELL FATALLY BURNED.
